Purpose of Annual Meeting

At the Annual Meeting:

1. The stockholders of NMFC will be asked to elect three directors to the board of directors of NMFC, who will each serve for a term of three years, or until their respective successors are duly elected and qualify;
2. The stockholders of NMFC will be asked to ratify the appointment of Deloitte & Touche LLP to serve as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2017; and
3. Such other business as may properly come before the Annual Meeting will be transacted.

Shares

Stockholders of NMFC may vote their shares, virtually or by proxy, at the Annual Meeting only if such stockholders were stockholders of record at the close of business on March 1, 2017 (the "Record Date"). On the Record Date, there were 69,717,814 shares of NMFC's common stock outstanding. Each share of NMFC's common stock is entitled to one vote.

Quorum Required

A quorum of NMFC's stockholders must be present at the Annual Meeting for any business to be conducted. The presence at the Annual Meeting, online or by proxy, of the holders of a majority of the shares of NMFC common stock outstanding on the Record Date will constitute a quorum. Abstentions will be treated as shares present for quorum purposes. Broker Securities for which the nominee has not received voting instructions from the record holder and does not have discretionary authority to vote the shares on certain proposals (which are considered "Broker Non-Votes" with respect to such proposals) will be treated as shares present for quorum purposes.

If a quorum is not present at the Annual Meeting, the stockholders who are represented may adjourn the Annual Meeting until a quorum is present. The persons named as proxies will vote those proxies for such adjournment, unless marked to be voted against any proposal for which an adjournment is sought, to permit the further solicitation of proxies.

Vote Required

Election of Directors. A nominee for director shall be elected to the board of directors of NMFC if the votes cast for such nominee's election exceed the votes cast against such nominee's election. If you vote "Withhold Authority" with respect to a nominee, your shares will not be voted with respect to the person indicated. **Abstentions and Broker Non-Votes will not be included in determining the number of votes cast and, as a result, will have no effect on this proposal.**

Ratification of Independent Registered Public Accounting Firm. The affirmative vote of a majority of the votes cast at the Annual Meeting or by proxy is required to ratify the appointment of Deloitte & Touche LLP to serve as the Company's independent registered public accounting firm for the fiscal year ended December 31, 2017. Abstentions will not be included in determining the number of votes cast and, as a result, will have no effect on this proposal. Because brokers will have discretionary authority to vote for the ratification of the appointment of the Company's independent registered public accounting firm in the event that they do not receive voting instructions from the beneficial owner of the shares, your broker will be permitted to vote your shares for this proposal. **If you give no instructions on the proxy card, the shares covered by the proxy card will be voted FOR the ratification of appointment of Deloitte & Touche LLP to serve as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2017.**

Additional Solicitation. If there are not enough votes to approve any proposals at the Annual Meeting, the stockholders who are represented may adjourn the Annual Meeting to permit the further solicitation of proxies. The persons named as proxies will vote those proxies for such adjournment, unless marked to be voted against the proposal for which an adjournment is sought, to permit the further solicitation of proxies.

Also, a vote may be taken on one or more of the proposals in this Proxy Statement prior to any such adjournment if there are sufficient votes for approval thereof.

Information Regarding This Solicitation

NMFC will bear the expense of the solicitation of proxies for the Annual Meeting, including the cost of preparing, printing and mailing this Proxy Statement, the accompanying Notice of Annual Meeting of Stockholders and proxy card(s). We have requested that brokers, nominees, fiduciaries and other persons holding shares in their names, or in the name of their nominees, which are beneficially owned by others, forward the proxy materials to, and obtain proxies from, such beneficial owners. We will reimburse such persons for their reasonable expenses in so doing.

In addition to the solicitation of proxies by the use of the mail, proxies may be solicited in person and by telephone or facsimile transmission by directors, officers or employees of NMFC, NMFC's investment adviser, New Mountain Finance Advisers BDC, L.L.C. (the "Investment Adviser"), or NMFC's administrator, New Mountain Finance Administration, L.L.C. (the "Administrator"), without special compensation therefor.

Stockholders may also provide their voting instructions by telephone or through the Internet. These options require stockholders to input the Control Number which is located on each proxy card. After inputting this number, stockholders will be prompted to provide their voting instructions. Stockholders will have an opportunity to review their voting instructions and make any necessary changes before submitting their voting instructions and terminating their telephone call or Internet link. Stockholders who vote via the Internet, in addition to confirming their voting instructions prior to submission, will also receive an e-mail confirming their instructions upon request.

Any proxy given pursuant to this solicitation may be revoked by notice from the person giving the proxy at any time before it is exercised. Any such notice of revocation should be provided in writing and signed by the stockholders in the same manner as the proxy being revoked and delivered to NMFC's proxy tabulator.

The principal business address of both the Investment Adviser and the Administrator is 787 Seventh Avenue, 48th Floor, New York, New York 10019.

Director Independence

In accordance with rules of the NYSE, NMFC’s board of directors annually determines each director’s independence. We do not consider a director independent unless the board of directors has determined that he has no material relationship with us. We monitor the relationships of our directors and officers through a questionnaire each director and officer completes no less frequently than annually and updates periodically as information provided in the most recent questionnaire changes.

Our governance guidelines, which are available on NMFC’s website at www.newmountainfinance.com, require any director who has previously been determined to be independent to inform the chairman of the board of directors, the chairman of the nominating and corporate governance committee and the corporate secretary of any change in circumstance that may cause his status as an independent director to change. The board of directors limits membership on the audit committee, the valuation committee, the nominating and corporate governance committee and the compensation committee to independent directors. In order to evaluate the materiality of any such relationship, the board of directors uses the definition of director independence set forth in the corporate governance listing standards promulgated by the NYSE.

The board of directors has determined that each of the directors and the director nominees are independent and has no relationship with us, except as a director and stockholder of NMFC, with the exception of Steven B. Klinsky, as a result of his positions as founder and chief executive officer of New Mountain Capital, L.L.C., Robert A. Hamwee, as a result of his position as chief executive officer of NMFC and Adam B. Weinstein, as a result of his positions as executive vice president and chief administrative

officer of NMFC.

Board Leadership Structure

NMFC's board of directors monitors and performs an oversight role with respect to NMFC's business and affairs, compliance with regulatory requirements and the services, expenses and performance of service providers to NMFC. Among other things, NMFC's board of directors approves the appointment of the Administrator and officers, reviews and monitors the services and activities performed by the Administrator and officers and approves the engagement, and reviews the performance of, NMFC's independent public accounting firm.

Under NMFC's bylaws, NMFC's board of directors may designate a chairman to preside over the meetings of the board of directors and meetings of the stockholders and to perform such other duties as may be assigned to the chairman by the board of directors. NMFC does not have a fixed policy as to whether the chairman of the board should be an independent director and believe that they should maintain the flexibility to select the chairman and reorganize the leadership structure, from time to time, based on the criteria that is in the best interests of NMFC and its stockholders at such times.

Mr. Klinsky currently serves as the chairman of NMFC's board of directors. Mr. Klinsky is an "interested person" of NMFC as defined in Section 2(a)(19) of the 1940 Act because he is the founder and chief executive officer of New Mountain Capital, L.L.C., serves on the investment committee of the Investment Adviser and is the managing member of the sole member of the Investment Adviser. NMFC believes that Mr. Klinsky's history with New Mountain Capital, L.L.C., familiarity with our investment objectives and investment strategy, and extensive knowledge of the financial services industry and the investment valuation process in particular qualify him to serve as the chairman of NMFC's board of

[Table of Contents](#)

directors. NMFC believes that, at present, they are best served through this leadership structure, as Mr. Klinsky's relationship with the Investment Adviser and New Mountain Capital, L.L.C., provides an effective bridge and encourages an open dialogue between NMFC's management and its board of directors, ensuring that all groups act with a common purpose.

NMFC's board of directors does not currently have a designated lead independent director. NMFC is aware of the potential conflicts that may arise when a non-independent director is chairman of the board of directors, but believes these potential conflicts are offset by its strong corporate governance policies. NMFC's corporate governance policies include regular meetings of the independent directors in executive session without the presence of interested directors and management over which the chairman of the audit committee presides, the establishment of audit, valuation, nominating and corporate governance and compensation committees comprised solely of independent directors and the appointment of a chief compliance officer, with whom the independent directors meet regularly without the presence of interested directors and other members of management, for administering NMFC's compliance policies and procedures.

NMFC recognizes that different board leadership structures are appropriate for companies in different situations. NMFC intends to continue to re-examine its corporate governance policies on an ongoing basis to ensure that they continue to meet NMFC's needs.

Board of Directors' Role In Risk Oversight

NMFC's board of directors performs its risk oversight function primarily through (1) its four standing committees which report to the board of directors, each of which is comprised solely of independent directors and (2) active monitoring by NMFC's chief compliance officer and its compliance policies and procedures.

NMFC's audit committee, valuation committee, nominating and corporate governance committee and compensation committee assist NMFC's board of directors in fulfilling its risk oversight responsibilities. The audit committee's risk oversight responsibilities include overseeing NMFC's accounting and financial reporting processes, NMFC's systems of internal controls regarding finance and accounting, and audits of NMFC's financial statements, including the independence of NMFC's independent auditors. The valuation committee is responsible for making recommendations in accordance with the valuation policies and procedures adopted by NMFC's board of directors, reviewing valuations and any reports of independent valuation firms, confirming that valuations are made in accordance with the valuation policies of NMFC's board of directors and reporting any deficiencies or violations of such valuation policies to NMFC's board of directors on at least a quarterly basis, and reviewing other matters that NMFC's board of directors or the valuation committee deems appropriate. The nominating and corporate governance committee's risk oversight responsibilities include selecting, researching and nominating directors for election by NMFC's stockholders, developing and recommending to the board of directors a set of corporate governance principles and overseeing the evaluation of the board of directors and NMFC's management. The compensation committee is responsible for periodically reviewing director compensation and recommending any appropriate changes to NMFC's board of directors. In addition, although NMFC does not directly compensate its executive officers currently, to the extent that NMFC does so in the future, the compensation committee would also be responsible for reviewing and evaluating their compensation and making recommendations to the board of directors regarding their compensation.

NMFC's board of directors performs its risk oversight responsibilities with the assistance of the chief compliance officer. The board of directors quarterly reviews a written report from the chief compliance officer discussing the adequacy and effectiveness of NMFC's compliance policies and procedures and its service providers. The chief compliance officer's quarterly report addresses at a minimum:

- the operation of NMFC's compliance policies and procedures and its service providers since the last report;
- any material changes to these policies and procedures since the last report;
- any recommendations for material changes to these policies and procedures as a result of the chief compliance officer's annual review; and
- any compliance matter that has occurred since the date of the last report about which the board of directors would reasonably need to know to oversee NMFC's compliance activities and risks.

In addition, the chief compliance officer meets separately in executive session with the independent directors at least once each year.

NMFC believes that its board of director's role in risk oversight is effective, and appropriate given the extensive regulation to which it is subject as a business development company. NMFC is required to comply with certain regulatory requirements that control the levels of risk in NMFC's business and operations. For example, NMFC's ability to incur indebtedness is limited because its asset coverage must equal at least 200.0% immediately after it incurs indebtedness. On

[Table of Contents](#)

November 5, 2014, the Company received exemptive relief from the SEC to permit the Company to exclude the SBA-guaranteed debentures of New Mountain Finance SBIC L.P. from the Company's 200.0% asset coverage test under the 1940 Act. As such, the Company's ratio of total consolidated assets to outstanding indebtedness may be

less than 200.0%. This provides the Company with increased investment flexibility but also increases the Company's risks related to leverage. NMFC generally cannot invest in assets that are not "qualifying assets" unless at least 70% of its gross assets consist of "qualifying assets" immediately prior to such investment, and NMFC is not generally permitted to invest, subject to certain exceptions, in any portfolio company in which one of its affiliates currently has an investment.

NMFC recognizes that different board of director roles in risk oversight are appropriate for companies in different situations. NMFC intends to re-examine the manner in which the board of directors administers its oversight function on an ongoing basis to ensure that it continues to meet NMFC's needs.

Committees of the Board of Directors

NMFC's board of directors has established an audit committee, a nominating and corporate governance committee, a compensation committee and a valuation committee. The members of each committee have been appointed by the board of directors of NMFC and serve until their respective successor is elected and qualifies, unless they are removed or resign. During 2016, the board of directors of NMFC held eight board of directors meetings, four audit committee meetings, two nominating and corporate governance committee meetings, two compensation committee meetings and eight valuation committee meetings. All directors attended at least 75.0% of the aggregate number of meetings of the board of directors and of the respective committees on which they serve. We require each director to make a diligent effort to attend all board and committee meetings as well as each annual meeting of NMFC's stockholders. All of NMFC's directors attended the 2016 Annual Meeting of Stockholders.

Audit Committee

The audit committee operates pursuant to a charter approved by NMFC's board of directors, a copy of which is available on NMFC's website at www.newmountainfinance.com. The charter sets forth the responsibilities of the audit committee. The audit committee is responsible for recommending the selection of, engagement of and discharge of NMFC's independent auditors, reviewing the plans, scope and results of the audit engagement with the independent auditors, approving professional services provided by the independent auditors (including compensation therefore), reviewing the independence of the independent auditors and reviewing the adequacy of NMFC's internal controls over financial reporting. The members of the audit committee are Alfred F. Hurley, Jr., David Ogens, Rome G. Arnold III and Kurt J. Wolfgruber, each of whom is not an interested person of NMFC for purposes of the 1940 Act and is independent for purposes of the NYSE's corporate governance listing standards. Kurt J. Wolfgruber serves as the chairman of the audit committee, and NMFC's board of directors has determined that Alfred F. Hurley, Jr., David Ogens and Kurt J. Wolfgruber are "audit committee financial experts" as that term is defined under Item 407 of Regulation S-K, as promulgated under the Exchange Act, and that each of them meets the current independence and experience requirements of Rule 10A-3 of the Exchange Act.

Nominating and Corporate Governance Committee

The nominating and corporate governance committee operates pursuant to a charter approved by NMFC's board of directors, copies of which are available on NMFC's website at www.newmountainfinance.com. The charter sets forth the responsibilities of the nominating and corporate governance committee. The nominating and corporate governance committee is responsible for determining criteria for service on the board of directors, identifying, researching and nominating directors for election by NMFC's stockholders, selecting nominees to fill vacancies on NMFC's board of directors or committees of the board of directors, developing and recommending to the board of directors a set of corporate governance principles and overseeing the self-evaluation of the board of directors and its committees and evaluation of NMFC's management. The nominating and corporate governance committee considers nominees properly recommended by NMFC's stockholders. The members of the nominating and corporate governance committee are Alfred F. Hurley, Jr., David Ogens, Rome G. Arnold III and Kurt J. Wolfgruber, each of whom is not an interested person of NMFC for purposes of the 1940 Act and is independent for purposes of the NYSE's corporate governance listing standards. Alfred F. Hurley, Jr. serves as the chairman of the nominating and corporate governance committee.

The nominating and corporate governance committee seeks candidates who possess the background, skills and expertise to make a significant contribution to the board of directors, NMFC and its stockholders. In considering possible candidates for election as a director, the nominating and corporate governance committee take into account, in addition to such other factors as they deem relevant, the desirability of selecting directors who:

- are of high character and integrity;

13

Table of Contents

- are accomplished in their respective fields, with superior credentials and recognition;
- have relevant expertise and experience upon which to be able to offer advice and guidance to management;
- have sufficient time available to devote to the affairs of NMFC;
- are able to work with the other members of the board of directors and contribute to the success of NMFC;
- can represent the long-term interests of NMFC's stockholders as a whole; and
- are selected such that the board of directors represent a range of backgrounds and experience.

The nominating and corporate governance committee has not adopted formal policies with regard to the consideration of diversity in identifying director nominees. In determining whether to recommend a director nominee, the nominating and corporate governance committee considers and discusses diversity, among other factors, with a view toward the needs of the board of directors as a whole. The nominating and corporate governance committee generally conceptualizes diversity expansively to include, without limitation, concepts such as race, gender, national origin, differences of viewpoint, professional experience, education, skill and other qualities that contribute to the board of directors, when identifying and recommending director nominees. The nominating and corporate governance committee believes that the inclusion of diversity as one of many factors considered in selecting director nominees is consistent with the nominating and corporate governance committee's goal of creating a board of directors that best serves the needs of NMFC and the interest of its stockholders.

Compensation Committee

The compensation committee operates pursuant to a charter approved by NMFC's board of directors, a copy of which is available on NMFC's website at www.newmountainfinance.com. The charter sets forth the responsibilities of the compensation committee. The compensation committee is responsible for periodically reviewing director compensation and recommending any appropriate changes to the board of directors. In addition, although NMFC does not directly compensate its executive officers currently, to the extent that it does so in the future, the compensation committee would also be responsible for reviewing and evaluating their compensation and making recommendations to the board of directors regarding their compensation. The compensation committee is also responsible for annually reviewing and recommending for approval to NMFC's board of directors an investment advisory and management agreement and an administration agreement. Lastly, the compensation committee would produce a report on NMFC's executive compensation practices and policies for inclusion in our proxy statement if required by applicable proxy rules and regulations and, if applicable, make recommendations to the board of directors on NMFC's executive compensation practices and policies. The compensation committee has the authority to engage compensation consultants, although it does not currently do so, and to delegate its duties and responsibilities to a member or to a subcommittee of the compensation committee. The compensation committee is composed of Alfred F. Hurley, Jr., David Ogens, Rome G. Arnold III and Kurt J. Wolfgruber, each of whom is not an interested person of NMFC for purposes of the 1940 Act and is independent for purposes of the NYSE's corporate governance listing standards. Alfred F. Hurley, Jr. serves

as chairman of the compensation committee.

Valuation Committee

The valuation committee operates pursuant to a charter approved by NMFC's board of directors, a copy of which is available on NMFC's website at www.newmountainfinance.com. The charter sets forth the responsibilities of the valuation committee. The valuation committee is responsible for making recommendations in accordance with the valuation policies and procedures adopted by the board of directors of NMFC, reviewing valuations and any reports of independent valuation firms, confirming that valuations are made in accordance with the valuation policies of the board of directors of NMFC and reporting any deficiencies or violations of such valuation policies to the board of directors on at least a quarterly basis, and reviewing other matters that the board of directors or the valuation committee deem appropriate. The valuation committee is composed of Rome G. Arnold III, Alfred F. Hurley, Jr., David Ogens and Kurt J. Wolfgruber, each of whom is not an interested person of NMFC for purposes of the 1940 Act and is independent for purposes of the NYSE's corporate governance listing standards. David Ogens serves as chairman of the valuation committee.

These executive sessions of NMFC's board of directors will be presided over by the chairman of the audit committee.

NMFC's code of ethics can be accessed via its website at www.newmountainfinance.com. NMFC intends to disclose amendments to or waivers from a required provision of the code of ethics on Form 8-K.

15

Compensation of Executive Officers

None of NMFC's executive officers receive direct compensation from NMFC. NMFC does not engage any compensation consultants. The compensation of the principals and other investment professionals of the Investment Adviser is paid by the Investment Adviser. Compensation paid to NMFC's chief financial officer and chief compliance officer is set by the Administrator and is subject to reimbursement by NMFC of the allocable portion of such compensation for services rendered to NMFC.

Indemnification Agreements

NMFC entered into indemnification agreements with its directors. The indemnification agreements are intended to provide the directors the maximum

indemnification permitted under Delaware law and the 1940 Act. Each indemnification agreement provides that NMFC shall indemnify the director who is a party to the agreement, or an Indemnitee, including the advancement of legal expenses, if, by reason of his corporate status, the Indemnitee is, or is threatened to be, made a party to or a witness in any threatened, pending, or completed proceeding, to the maximum extent permitted by Delaware law and the 1940 Act. Any amounts owing by NMFC to any Indemnitee pursuant to the indemnification agreements will be payable by NMFC.

Certain Relationships and Transactions

NMFC has entered into an investment advisory and management agreement (the “Investment Management Agreement”) with the Investment Adviser. Pursuant to the Investment Management Agreement, NMFC has agreed to pay the Investment Adviser a fee for investment advisory and management services consisting of two components—a base management fee (described below) and an incentive fee (based on NMFC’s performance). The base management fee is calculated at an annual rate of 1.75% of NMFC’s gross assets, which equals the Company’s total assets, less (i) the borrowings under the senior loan fund’s Loan and Security Agreement with Wells Fargo Bank, National Association dated October 27, 2010, as amended (the “SLF Credit Facility”), and (ii) cash and cash equivalents. Since the initial public offering (“IPO”), the base management fee calculation has deducted the borrowings under the SLF Credit Facility. The SLF Credit Facility had historically consisted of primarily lower yielding assets at higher advance rates. As part of an amendment to the existing credit facilities with Wells Fargo Bank, National Association, the SLF Credit Facility merged with the New Mountain Finance Holdings L.L.C.’s credit facility on December 18, 2014. Post credit facility merger and to be consistent with the methodology since the IPO, the Investment Adviser will continue to waive management fees on the leverage associated with those assets that share the same underlying yield characteristics with investments leveraged under the legacy SLF Credit Facility. The Investment Adviser cannot recoup management fees that the Investment Adviser has previously waived. Steven B. Klinsky, through his financial interest in the Investment Adviser, is entitled to a portion of any profits earned by the Investment Adviser, which includes any fees payable to the Investment Adviser under the terms of the Investment Management Agreement, less expenses incurred by the Investment Adviser in performing its services under the Investment Management Agreement. In addition, NMFC’s executive officers and directors, as well as the current or future members of the Investment Adviser, serve or may serve as officers, directors or principals of entities that operate in the same or a related line of business as NMFC or of investment funds managed by NMFC’s affiliates. Accordingly, they may have obligations to investors in those entities, the fulfillment of which might not be in NMFC and NMFC’s stockholders’ best interests.

The Investment Adviser and its affiliates may also manage other funds in the future that may have investment mandates that are similar, in whole and in part, to our investment mandates. The Investment Adviser and its affiliates may determine that an investment is appropriate for us and for one or more of those other funds. In such event, depending on the availability of such investment and other appropriate factors, the Investment Adviser or its affiliates may determine that we should invest side-by-side with one or more other funds. Any such investments will be made only to the extent permitted by applicable law and interpretive positions of the SEC and its staff, and consistent with the Investment Adviser’s allocation procedures. On September 12, 2016, the Company filed an exemptive application with the SEC to permit us to co-invest with funds or entities managed by the Investment Adviser or its affiliates in certain negotiated transactions where co-investing would otherwise be prohibited under the 1940 Act. Any such order, if granted by the SEC, will be subject to certain terms and conditions. Furthermore, there is no assurance when, or if, this application for exemptive relief will be granted by the SEC.

NMFC has entered into an administration agreement as amended and restated (the “Administration Agreement”) with the Administrator. The Administrator arranges office space for NMFC and provides office equipment and administrative services necessary to conduct NMFC’s day-to-day operations pursuant to the Administration Agreement. NMFC reimburses the Administrator for the allocable portion of overhead and other expenses incurred by it in performing its obligations to us under the Administration Agreement, which includes the fees and expenses associated with performing administrative, finance, and compliance functions, and the compensation of NMFC’s chief financial officer and chief compliance officer and their respective staffs. Pursuant to the Administration Agreement, as amended and restated, and further restricted by NMFC, the Administrator may, in its own discretion, submit to NMFC for reimbursement some or all of the expenses that the Administrator has incurred on NMFC’s behalf during any quarterly period. As a result, the amount of expenses for which NMFC will have to reimburse the Administrator may fluctuate in future quarterly periods and there can be no assurance given as to when, or if, the Administrator may determine to limit the expenses that the Administrator submits to NMFC for reimbursement in the future. However, it is expected that the Administrator will continue to support part of NMFC’s expense burden in the near future and may decide to not calculate and charge through certain overhead related amounts as well as continue to cover some of the indirect costs. The Administrator cannot recoup any expenses that the Administrator has previously waived.

NMFC, the Investment Adviser and the Administrator have entered into a royalty-free Trademark License Agreement, as amended, with New Mountain Capital, L.L.C., pursuant to which New Mountain Capital, L.L.C. has agreed to grant NMFC, the Investment Adviser and the Administrator a non-exclusive, royalty-free license to use the names “New Mountain” and “New Mountain Finance”. Under this Trademark License Agreement, as amended, subject to certain conditions, NMFC, the Investment Adviser and the Administrator have a right to use the “New Mountain” and the “New Mountain Finance” names for so long as the Investment Adviser or one of its affiliates remains NMFC’s investment adviser. Other than with respect to this limited license, NMFC, the Investment Adviser and the Administrator have no legal right to the “New Mountain” and the “New Mountain Finance” names.

NMFC, as an investment adviser registered under the Investment Advisers Act of 1940, as amended, acts as the collateral manager to NMFC Senior Loan Program I, LLC (“SLP I”) and is entitled to receive a management fee for its investment management services provided to SLP I. As a result, SLP I is classified as an affiliate of NMFC. SLP I is a portfolio company of NMFC in which NMFC owns a less than 25.0% ownership stake.

NMFC Senior Loan Program II LLC (“SLP II”) was formed as a Delaware limited liability company on March 9, 2016 and commenced operations on April 12, 2016. SLP II is structured as a private joint venture investment fund between NMFC and SkyKnight Income, LLC (“SkyKnight”) and operates under a limited liability company agreement. All investment decisions must be unanimously approved by the board of managers of SLP II, which has equal representation from the Company and SkyKnight SLP II is a portfolio company of NMFC.

New Mountain Net Lease Corporation (“NMNLC”) was formed as a Maryland corporation on April 18, 2016 and commenced operations on August 12, 2016. NMNLC was formed to acquire commercial real properties that are subject to “triple net” leases and to qualify as a real estate investment trust, or REIT, within the meaning of Section 856(a) of the Internal Revenue Code of 1986, as amended. NMFC acts as the investment adviser to NMNLC and owns all of the outstanding common stock of NMNLC. NMFC is not entitled to receive any compensation for its services pursuant to its investment advisory and management agreement with NMNLC.

In the ordinary course of business, NMFC may enter into transactions with portfolio companies that may be considered related party transactions. In order to ensure that NMFC does not engage in any prohibited transactions with any persons affiliated with NMFC, NMFC has implemented certain policies and procedures whereby NMFC’s executive officers screen each of NMFC’s transactions for any possible affiliations between the proposed portfolio investment, NMFC, companies controlled by us and our employees and directors. NMFC will not enter into any agreements unless and until NMFC is satisfied that doing so will not raise concerns under the 1940 Act or, if such concerns exist, NMFC has taken appropriate actions to seek board review and approval or exemptive relief for such transaction. NMFC’s board of directors reviews these procedures on a quarterly basis.

NMFC has adopted a code of ethics which applies to, among others, NMFC’s senior officers, including NMFC’s chief executive officer and chief financial officer, as well as all of NMFC’s officers, directors and employees. NMFC’s code of ethics requires that all employees and directors avoid any conflict, or the appearance of a conflict, between an individual’s personal interests and NMFC’s interests. Pursuant to such code of ethics, each employee and director must disclose any conflicts of interest, or actions or relationships that might give rise to a conflict, to NMFC’s chief compliance officer.

Board Consideration of the Investment Advisory and Management Agreement

NMFC's board of directors determined at an in-person meeting held on February 8, 2017, to re-approve the Investment Management Agreement between NMFC and the Investment Adviser. In its consideration of the re-approval of the Investment Management Agreement, the board of directors of NMFC focused on information it had received relating to, among other things:

- The nature, extent and quality of advisory and other services provided by the Investment Adviser, including information about the investment performance of NMFC relative to its stated objectives and in comparison to the performance of NMFC's peer group and relevant market indices, and concluded that such advisory and other services are satisfactory and NMFC's investment performance is reasonable;
- The experience and qualifications of the personnel providing such advisory and other services, including information about the backgrounds of the investment personnel, the allocation of responsibilities among such personnel and the process by which investment decisions are made, and concluded that the investment personnel of the Investment Adviser have extensive experience and are well qualified to provide advisory and other services to NMFC;
- The current fee structure, the existence of any fee waivers, and NMFC's anticipated expense ratios in relation to those of other investment companies having comparable investment policies and limitations, and concluded that the current fee structure is reasonable;
- The advisory fees charged by the Investment Adviser to NMFC and comparative data regarding the advisory fees charged by other investment advisers to business development companies with similar investment objectives, and concluded that the advisory fees charged by the Investment Adviser to NMFC are reasonable;
- The direct and indirect costs, including for personnel and office facilities, that are incurred by the Investment Adviser and its affiliates in performing services for NMFC and the basis of determining and allocating these costs, and concluded that the direct and indirect costs, including the allocation of such costs, are reasonable;
- Possible economies of scale arising from NMFC's size and/or anticipated growth, and the extent to which such economies of scale are reflected in the advisory fees charged by the Investment Adviser to NMFC, and concluded that some economies of scale may be possible in the future;
- Other possible benefits to the Investment Adviser and its affiliates arising from their relationships with NMFC, and concluded that any such other benefits were not material to the Investment Adviser and its affiliates; and
- Possible alternative fee structures or bases for determining fees, and concluded that the Company's current fee structure and bases for determining fees are satisfactory.

Based on the information reviewed and the discussions detailed above, the board of directors, including a majority of the directors who are not "interested persons" as defined in the 1940 Act, concluded that the fees payable to the Investment Adviser pursuant to the Investment Management Agreement were reasonable, and comparable to the fees paid by other management investment companies with similar investment objectives, in relation to the services to be provided. The board of directors did not assign relative weights to the above factors or the other factors considered by it. Individual members of the board of directors may have given different weights to different factors.

Section 16(a) Beneficial Ownership Reporting Compliance

Pursuant to Section 16(a) of the Exchange Act, NMFC's directors and executive officers, and any persons holding more than 10.0% of its common stock, are required to report their beneficial ownership and any changes therein to the SEC and NMFC. Specific due dates for those reports have been established, and NMFC is required to report herein any failure to file such reports by those due dates. Based solely upon review of Forms 3, 4 and 5 (and amendments thereto) furnished to NMFC during or in respect of the year ended December 31, 2016 and written representations from certain reporting persons, we believe that all Section 16(a) filing requirements applicable to our directors, executive officers, and 10.0% or greater stockholders were satisfied in a timely manner during the year ended December 31, 2016.

**PROPOSAL II: RATIFICATION OF APPOINTMENT OF DELOITTE & TOUCHE LLP AS NMFC'S
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDED
DECEMBER 31, 2017**

The Audit Committee and the independent directors of the board of directors of NMFC have selected Deloitte & Touche LLP to serve as the independent registered public accounting firm for NMFC for the fiscal year ending December 31, 2017. This selection is subject to ratification or rejection by the stockholders of the Company.

Deloitte & Touche LLP has advised us that neither the firm nor any present member or associate of it has any material financial interest, direct or indirect, in NMFC or its affiliates. It is expected that a representative of Deloitte & Touche LLP will be present at the Annual Meeting and will have an opportunity to make a statement if he or she chooses and will be available to answer questions.

Audit fees also include fees for the audit opinion rendered regarding the effectiveness of internal control over financial reporting.

Audit-Related Fees: Audit-related services consist of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and are not reported under "Audit Fees". These services include, among other things, providing comfort letters and consents related to filings made with the SEC, as well as attest services that are not required by statute or regulation and consultations concerning financial accounting and reporting standards.

Tax Services Fees: Tax services fees consist of fees billed for professional tax services. These services also include assistance regarding federal, state, and local tax

compliance.

All Other Fees: Other fees would include fees for products and services other than the services reported above.

AUDIT COMMITTEE REPORT

The audit committee of the board of directors operates under a written charter adopted by the board of directors. The audit committee is currently composed of Messrs. Hurley, Arnold, Ogens and Wolfgruber.

Management is responsible for NMFC's internal controls and the financial reporting process. NMFC's independent registered public accounting firm is responsible for performing an independent audit of NMFC's financial statements in accordance with auditing standards generally accepted in the United States and expressing an opinion on the conformity of those audited financial statements in accordance with accounting principles generally accepted in the United States. The audit committee's responsibility is to monitor and oversee these processes. The audit committee is also directly responsible for the appointment, compensation and oversight of NMFC's independent registered public accounting firm.

Pre-Approval Policy

The audit committee has established a pre-approval policy that describes the permitted audit, audit-related, consulting services and other services to be provided by Deloitte & Touche LLP, NMFC's independent registered public accounting firm. The policy requires that the audit committee pre-approve the audit, non-audit and consulting services performed by the independent auditors in order to assure that the provision of such services does not impair the auditors' independence.

19

[Table of Contents](#)

Any requests for audit, audit-related, tax and other services that have not received general pre-approval must be submitted to the audit committee for specific pre-approval, irrespective of the amount, and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the audit committee. However, the audit committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the audit committee at its next scheduled meeting. The audit committee does not delegate its responsibilities to pre-approve services performed by the independent registered public accounting firm to management. The Audit Committee pre-approved 100% of services described in this policy.

Review with Management

The audit committee has reviewed the audited financial statements and met and held discussions with management regarding the audited financial statements. Management has represented to the audit committee that NMFC's financial statements were prepared in accordance with accounting principles generally accepted in the United States.

Review and Discussion with Independent Registered Public Accounting Firm

The audit committee has discussed with Deloitte & Touche LLP, NMFC's independent registered public accounting firm, matters required to be discussed by Public Company Accounting Oversight Board ("PCAOB") Auditing Standard 16 (Communication with Audit Committees). The audit committee receives and reviews the written disclosures and the letter from the independent registered public accounting firm required by PCAOB Rule 3520 (Auditor Independence), and has discussed with the auditors the auditors' independence. The audit committee has also considered the compatibility of non-audit services with the auditors' independence.

Conclusion

Based on the audit committee's discussions with management and the independent registered public accounting firm, the audit committee's review of the audited financial statements, the representations of management and the reports of the independent registered public accounting firm to the audit committee, the audit committee recommends that the board of directors include the audited financial statements in NMFC's Annual Report on Form 10-K for the year ended December 31, 2016 for filing with the SEC.

THE AUDIT COMMITTEE
Kurt J. Wolfgruber, Chair
Rome G. Arnold III
Alfred F. Hurley, Jr.
David Ogens

The material contained in the foregoing Audit committee Report is not "soliciting material", is not deemed "filed" with the SEC, and is not to be incorporated by reference into any filing of NMFC under the Securities Act of 1933, as amended, or the Exchange Act, whether made before or after the date hereof and irrespective of any general incorporation language in any such filing.

Required Vote

The affirmative vote of a majority of the votes cast at the Annual Meeting or by proxy is required to approve this proposal. Unless marked to the contrary, the shares represented by the enclosed proxy card will be voted for ratification of the appointment of Deloitte & Touche LLP as the independent registered public accounting firm of the Company for the year ending December 31, 2017. Because brokers will have discretionary authority to vote for the ratification of the appointment of the Company's registered independent public accounting firm in the event that they do not receive voting instructions from the beneficial owner of the shares, your broker will be permitted to vote your shares for this proposal.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE RATIFICATION OF THE SELECTION OF DELOITTE & TOUCHE LLP AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE COMPANY FOR THE YEAR ENDING DECEMBER 31, 2017.
