

New Mountain Finance Corporation Announces Completion of Primary Offering of 5,750,000 Shares of Common Stock

New York, NY – 9/25/2015 – New Mountain Finance Corporation (the “Company”) (NYSE: NMFC) announced today that it has completed an underwritten offering of 5,750,000 shares of its common stock (including 750,000 shares of common stock that were issued pursuant to the full exercise of the option granted to the underwriters to purchase additional shares) at a public offering price of \$14.14 per share. Steven B. Klinsky, the Chairman of the Company’s board of directors, purchased 500,000 shares in this offering at the public offering price.

The Company intends to use the net proceeds from the offering primarily for new investments in portfolio companies in accordance with its investment objective and strategies. The Company may also use a portion of such net proceeds for other general corporate purposes, including to temporarily repay indebtedness (which will be subject to re-borrowing), and other working capital needs.

The joint-lead book-running managers for the offering were Wells Fargo Securities, LLC, Goldman, Sachs & Co., Morgan Stanley & Co. LLC and Keefe, Bruyette & Woods, Inc. The lead manager for the offering was Robert W. Baird & Co. Incorporated. The co-managers were Janney Montgomery Scott LLC and Oppenheimer & Co. Inc.

Investors are advised to carefully consider the investment objectives, risks and charges and expenses of the Company before investing. The prospectus supplement, dated September 22, 2015, and accompanying prospectus, dated June 4, 2015, each of which has been filed with the Securities and Exchange Commission, contain a description of these matters and other important information about the Company and should be read carefully before investing.
